

SPRINGDAYS SCHOOL

ANNUAL REPORT – 2018-19

On a bright Monday morning, the 4th of June 2018 the 2nd academic year of **Springdays commenced** with teachers old and new. The inclusion of the third section doubled the strength of the teaching staff. Members of Springdays family walked into the school greatly relaxed and excited, ready for the new session. After an **interactive session between the teachers and management, Lego orientation program** was conducted on the 4th and 5th June 2018.

On 6th of June 2018 **Orientation programs for science and maths** were held.

7th of June 2018 saw a lively whirl of footsteps of students from **class I to IX** in the otherwise silent corridors of the school, infusing life into the walls of the school. Every classroom was buzzing with sounds of laughter, cheerfulness and happiness on being back to school.

On the 11th of June 2018 the **LKG students** were welcomed to the school, from their secured cocoon of homely affection to the big wide world of academics and socialisation. The Kindergarten teachers, so well armed with kindness and understanding welcomed the little ones with affection.

On 13th June 2018 the **UKG students** were back to school after a long holiday. Knowing well the place they have been before, they were comfortable in the classroom on the very first day itself.

The school with **756 students** functioned through the year with whole lot of different activities and many competitions along side the academics.

Activities of Springdays School :

Every event and moment in our school is made exceptionally memorable for the students to carry along their voyage of springing from school life to adulthood.

The activities are so framed and carried out to engrain beautiful pictures for life long. The first celebration of the school commenced with **Ramzan celebration** on 14th of June 2018. The delivery of performance of various songs, dance & skit had the freshness of their relaxed holidays.

21st of June 2018 was celebrated as the **Yoga Day**. The guest of honour was **Mrs. Vanitha. V** of Indian Police Services, Deputy Inspector General of Vellore range. Speakers from Isha Foundation presented a power point presentation giving the importance of Yoga and how Yoga could be helpful for a better health and mind growth.

27th of June 2018 was the day when the **Students Council** was formed and responsibilities delegated to the students. The Chief Guest for the ceremony was **Dr. Sunil Chandy**, former Director of CMC Hospital, Vellore. Parents, of the students assuming office of duty, were invited to witness the ceremony and oath of responsibility. The duty bearers joy was unbounding.

On 20th of July 2018 the students of class I to III made a **picnic trip** to Vellore Fort, Museum and a park nearby.

Sports and Athletic events help students to evolve skills of cooperation, interaction and as well as develop discipline and team work. The schools **2nd Annual Athletic Meet** held on the 11th August 2018 brought out all these attributes to the forefront. The chief guest for the day was **Dr. Arulalan**, famous paediatrician, known for his exemplary skills in Child Medical Care. March pasts, drills and displays were done by Prekg to Std. IX students, which was well appreciated and was followed by the athletic events and prize distribution.

On 16th August 2018 a **Medical Check-up** for all students by Manisundaram medical mission was organised. The general check-up is to keep the well being of all our wards and give off hand information for the parents about the welfare of their wards.

Krishna Jayanthi was celebrated on 28th August 2018 by the kids of LKG and UKG. Parents were invited, toddlers dressed as Radhas and Krishnas gave a beautiful staging of Lord Radha Krishna.

Teachers day celebration - The excitement and the intensity of Teacher's Day celebration had set in quite a few days early. The 9th graders under the leadership of Head girl Nitya Anu Shree, gave an extravagant performance to the teachers delight. Cake was cut, gifts distributed to mark the event and regards for the teachers.

In September, children were given school cards and were asked to prepare Grand Parents Day cards. Children wrote poems, their wishes, regards, drew and coloured pictures on the cards. These were given to their respective grandparents on September 9th 2018 the **Grand Parents Day**. A value instilled in them – the importance of our grandparents in our lives.

On 17th September 2018 students of class VI to IX made **picnic trip** to Snow Kingdom, a theme park, an edutainment destination for students.

Global Cardboard Challenge competition was introduced this academic year and was held on 6th October 2019. This was a part of **World Imagination day**. What our kids are capable of doing was worth watching on this day. Creativity was at its peak. **Mr. Venkatakrisna** of Tek Academy was the chief guest.

Department of Post office held a National level letter writing competition based on the theme '**Letter to Motherland**' on 25th October 2018. Students enthusiastically participated in big numbers. It was both in English and Tamil.

Secondary School projects - Secondary school students (VI to IX) were motivated to choose a topic from maths & science and they exhibited their project work on 13th of October 2018 and 3rd November 2018. Each and every student showcased their talents and proved their learning through effective communication.

On 30th October 2018 children of UKG celebrated **Open Day** on topics 'Community Helpers' and 'Plants Our Green Friends'. **Dr. Pramod John**, Endocrinologist, was the chief guest. There was an interactive session between the chief guest and the parents.

On 1st November 2018 the **Diwali Celebration** by the students of class VII was a short and pleasant one with dances and dramas.

Students awaited the oncoming of '**Springdays Spree**' the Springdays Carnival with keenness and spirit of jubilation. A day for them to be just children and enjoy the joy of friends, songs, dance, games with prizes and bumper prizes of raffle tickets. There was no dearth of tasty, crunchy and munchy snacks and delicious lunch to match their taste buds. The teacher's feat was appreciated by the students with deafening applause.

On 7th December 2018 Mr. Ramesh Kanna, the karate Instructor of Japan Shito Ryo Karate School, organized a program to give away **orange and yellow belts** and certificates to the students of our school according to their performance and seniority.

The year 2018 ended with the exuberant performance by the sixth graders, who were the stars for arranging, enacting and presenting the **Christmas Festival** in colours of white and red on 5th December 2018.

The year 2019 was welcomed by the **Pongal Celebration** on 9th January 2019, by the 8th graders. Teachers and students left no stone unturned to create a real atmosphere of Pongal Festival with folklore of dances and songs followed by offerings to Sun God and seeking blessings for roaring harvest, production of food, health and knowledge.

26th January 2019, the **Republic Day** was celebrated with national fervour. Correspondent Mr. Rajendiran unfurled the flag, students and teachers gave speech to mark the occasion with respect and regard.

The most awaited convention was the **Jamboree 2019**. Teachers and students joined hands, working zealously for one whole month to present a masterful and formidable programmes for the parents and the guests. To top it was the highly acknowledged appreciation from the parents group.

The day 8th March 2019 was an important day in the calendar of the year, for it is celebrated as **Women's Day**, and also for we had **Junior Project Day** on the same day. The junior students had prepared on topics of Maths, English, Science, Lego, Art and Craft, languages with appealing models, charts, PPT presentations and facts and figures.

Springdays '**Summer Bustle**' the activity camp after annual exams held on 3rd, 4th, 8th & 9th of April 2019 specially designed to give the children an exposure to various types of activities to cultivate an interest related to it was a good precursor to the summer holidays to pursue a new interest. The terrarium designing, sound designing and theatre programs by guest experts were a few of them. The visit to the Vellore court is worth mentioning.

This was followed by the **Citizenship training camp** on 11th April 2019 for Std. VII, VIII & IX as per the school's broad spectrum of blossoming every student in all arenas of socialisation, adaption, adjustment and co-operation, in addition to academic performance. General awareness regarding health, hygiene and environment, awareness about the social responsibility among the citizens, significance of community living and developing team spirit and leadership qualities among the students are the objectives of the citizenship training camp in Springdays.

Competitions and Achievements

The tempo of achievements of various competitions held outside the school has been maintained by Springdays school right from its first year of inception. In fact it had an upward swing with the continues and unflinching effort of the students and the school. Let me share with you some of the various competitions, the students of Springdays participated and were proud achievers too.

All of our school students participated in the **Silver Zone Olympiad** the biggest international Olympiad in which more than 7000 schools and 15 lakh students have enrolled from India and abroad. 35 medals comprising of Gold, Silver and bronze were won.

Our IX graders participated in the **Science Olympiad** foundation exam and A.N. Gokul of Std. IX & Junaid of Std. IX have been selected for the final level in Maths & Science Olympiads respectively.

In the **Terrigreen Olympiad**, an online quiz conducted on Environmental awareness, Aditi of 8th Std was one of the 2000 students shortlisted for all India final round and she obtained 17th place in the final round.

A.N. Monica won certificate of Excellence in the Math talent test conducted by Tamil Nadu **Science and Technology Centre**, Chennai. She also has won Rank 6 in the **Allen Champs** award and 3rd Rank in the **FITJEE** Zonal award.

In Oxford Star another International Olympiad conducted Anika Ann Mathew of Std. V is the school topper.

Our students participated in **Lego and Robotics competition** of OTAMATIKS held in Don Bosco Higher Secondary School for students of class VI to IX and 3 teams of our students secured the second position out of the 150 schools participating in the event.

In the regional level **ABACUS** competition at Chennai Sushmithasri & Naveen Prasad of Std. IX won second prizes.

46 of our students are qualified for the international level in the '**Spell Bee Language for Life**' competition held by Spell bee International. Aditi.S of Std. VIII obtained 8th Rank in the Spell bee state level.

This academic session has been very eventful in the field of **Sports and Games of Springdays School**. It began with the First position in Girls football at GK World School, Ranipet. The other competition held at the same venue was for skating and Syed Shahrukh of Std. VI won I and II place in ring 2 and 3 respectively. Diya Aaron of Std. IX was selected at Vidya Mandir CBSE, School, Salem to participate in the National Level SGFI at Madhya Pradesh, Dewas. Students participated in Rajeshwari Tournament Throw ball at VIT Vellore and secured III position. Chess competition at VVNKM School was won by students of class 4, 5 & 9 as follows - Arun Charles of Std. IX- 3rd place, Pragadish Raaj of Std. IX- 5th place. Nanditha. M of Std. V - 2nd place in her category and Indulekha of Std. IV - 5th place. Heshma of Std. IX a swimmer par excellence has brought laurels to the school on three accounts. She participated in Inter school cluster of CBSE schools held at Telangana, Andra Pradesh. She went on to win II and III place in 25 mtrs free stroke & 50 mtrs breast stroke competitions held at Decathlon swimming championship, Chennai. She is also the proud winner of C.M Trophy at District level held at Oasis, Shenbakam.

Orientation programmes for teachers:

The development of students emotionally, academically and physically is an important feature of school life. For teachers to be well versed to handle these skills of immature and raw children, is possible only when the teachers are exposed to various training programmes. Our teachers have attended **Capacity Building Programmes** stipulated by the CBSE Board.

On 18th Aug 2018 Capacity Building Programme on 'Life Skills' was held by GK World school, Ranipet – 6 teachers participated in the programme.

On 25th Aug 2018 programme on Gender Sensitivity was held at Vidhya Peetam Sholingur, where another 6 teachers participated.

On 8th Sept 2018 CBP on Value Education was held within our campus in which 44 teachers from our school and various other schools took part.

On 10th Nov 2018 – Mr. Xavier attended the Capacity Building Programme for Remodelled structure for secondary classes upto IX and X held in Kingston International Academy, Vellore.

On 1st Dec 2018 Programme on Health and Physical Education was held at Sri Ravishankar Vidhya Mandir, CBSE school, Bangalore which was attended by Mrs. Aruna from the P.T. Dept.

On 19th to 26th Feb 2019 - Springdays in collaboration with CMC organised an interactive awareness sessions with teachers and secondary school students on Body and Personal safety. This programme guided the teachers on being sensitive and tactful about dealing with adolescent children, their curiosities and their safety. The faculty of CMC made the students to aware the do's and don'ts of life, to know their limits and about their body safety.

Programmes by other organizations attended by our teachers are 14 in number. Some of them are –

18th to 21st of April 2018, Mrs. Hemashri attended the programme on Cognitive Behaviour Therapy at Kottayam, Kerala.

6th June 2018 – Workshop on Science was held in our school and the resource person was Mrs. Mohana Priya, Principal of Aadithya Vidya Mandir, Chennai. 45 teachers from in and around Vellore took part.

7th, 8th& 9th of June 2018, an orientation programme by Fountain Head Leaders, Bangalore was conducted on Teachers Values and Guidelines, School curriculum and Learning outcomes & Teaching Methodology and Student-based pedagogy for the Kindergarten teachers.

On 15th of Oct 2018, Mrs. Mrinmayi, Principal, Akansha School Pune conducted programme on Classroom Management.

On 29th, 30th and 1st of Dec 2018, Mrs. Hemashri, Counsellor of our school, attended National Conference on Expressive Art Therapy held at Dindugal.

Other activities of our School :

Other than these we had regular activities going on in our school like IHAs, assemblies, observance of special days, interhouse games and various other activities.

IHAs - Inter House Activity is a platform for students to bring out the concealed talents within them. This year it was a fierce competition among the 4 houses, bringing out splendid knack of the students. The school made sure the judgments were fair by all means. Judges for various competitions were invited from outside the school, who were selected personalities with special talents. IHAs usually comprises of competitions in speech, dance, drama, singing, culinary, Art & craft etc.

In **Assemblies** various topics related to social, National & Global awareness like Sardhar Patel's Birthday, National integration week, Vigilance awareness week, National security week, Gandhiji's 150th year celebration, Environmental Awareness, Swatch Bharath were covered.

World Braille day, Armed forces flag day, International Yoga day, International Women Empowerment day and World Imagination day are some of the special days celebrated. We are proud to inform that our students contributed **Rs.41,506/-** towards the Armed force flag day fund for the welfare and rehabilitation of Ex-serviceman war widows and their dependents.

Voice of Springdays the newsletter by our students team and updates in facebook, the **nutrition squad**, the **leadership curriculum** by Fountain Head Leaders, the **theatre programme** held for interested children, **Lego and Robotics innovation Lab** and the **Virtual Reality Programme** are other highlights of our school activities.

The performance of the students in their academics, alongside their other extracurricular activities is well established by awarding the certificates and cups on the annual day held on 16th April 2019. The Chief Guest of the day **Dr. Dolly Daniel MB,BS, MD Pathology, FRCP (London)**, the Professor – department of Transfusion Medicine & Immunohaematology & Associate Director of Christian Medical College & Hospital, Vellore.

We have made and are making full conscious efforts to maintain the blooming Springdays with greenery and colours to keep the environment pollution free and lots of activities indoors and outdoors for children to enjoy and cherish childhood along with their academics.

There seems to be no holiday for the management for our new block for senior secondary school is under construction in full swing and planning for next year's programs have started.

I thank God Almighty for his abundant blessings on us. As per the vision of our school, we will be a part of the growing society and bring about a dynamic improvement in the education system, with all your support.

Thank you.
